

Hari Om!

It is our pleasure to announce that SFHT is once again open to its daily routine activities. Please come with family and friends to worship, celebrate our religious programs, and enjoy the freshly cooked prasad by our dedicated sevaks.

The expenses to run our temple cost on average \$22-25K per month. Unfortunately, costs keep rising due to inflation. We humbly request your support for our temple with a donation of \$1/ day (\$365/ year) which will include your annual membership (\$201).

Your annual membership keeps the temple open, helps us meet our overhead expenses, and helps us work towards making the temple self-sustaining. More memberships give our temple power and a strong voice on county and state levels.

Please support your temple and make a payment via check, ZELLE (preferred methods), or credit card to South Florida Hindu Temple or online at:
